DAVITA MCKELVEY

Davita McKelvey is the creator and executive producer of Black Travel Romances™, a bold 197-book fiction series that follows Black American women falling in love across every country in the world. But storytelling is only part of her expertise.

Davita is the former Editor-in-Chief of Griots Republic, the pioneering digital magazine for Black travelers. She also served as co-editor of the largest published colle-

ction of African American travel narratives to date, #BlackTravel: The Anthology. Her storytelling is deeply informed by a career in international sourcing and fashion production, working with top-tier brands including Calvin Klein, Gap Inc., and Ralph Lauren.

With over 100 countries visited, Davita brings unmatched lived experience and business acumen to a brand that's as emotionally rich as it is scalable.
